SME Banker of the Year 2024 (submission form)

Do you know someone who is a leader and innovator in the SME banking space, or do you consider yourself to be one? Do you view this person as a role model for others in the banking industry? We are seeking out SME bankers who have demonstrated exceptional performance in helping SMEs achieve their financial goals, and who have a track record of introducing new and innovative solutions to the SME market.

This category will acknowledge inspirational bankers selected based on their bank's performance in SME banking, including introduced innovations, SME initiatives, business results, and visibility. This recognition is independent of their size, market share, or tenure in the market.
