ENJOY THE CONFERENCE

How to Experience an Awesome Event

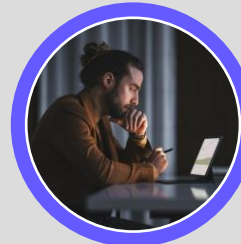

Even if you're an introvert, don't stay quiet. Fun fact: people who actively participate always enjoy the conference the most. Join the workshops and discussions!

Grab a drink with the rest of us in the evening. Meeting people is the most valuable part of any conference

Talk to someone new about something other than work. To avoid unnecessary intros, we have created helpful name tags.

Don't work during the presentations – we know it is tempting to do it all, but we believe you can resist if you try :)

We are looking forward to seeing you in Vienna at the Revolutionizing Banking Excellence through AI Innovation conference.

Must-see Places

Schönbrunn Palace

Schönbrunn Palace is one of Austria's most important cultural assets, and since the 1960s has been one of Vienna's major tourist attractions.

St. Stephen's Cathedral

St. Stephen's Cathedral is the symbol of Vienna and also the very center of the city. At 136 meters in height, it is the tallest church in Austria.

Albertina

The Albertina is a museum in the Innere Stadt of Vienna, Austria. It houses one of the largest and most important print rooms in the world.

Volksgarten

A beautiful landscaped park. Opened in 1823, the Volksgarten owes its existence to the exuberance (and vindictiveness) of Napoleon's army.

Museum Hundertwasser

The Kunst Haus Wien is art within art: the building follows a Hundertwasser design and the museum inside showcases his inimitable works.
